

## **Cultural Grants Awarded in July**

Members of the Fairfield Cultural Alliance Board awarded grants to three organizations at the Fairfield Arts and Convention Center the evening of July 26. Applications for small grants to cultural organizations for specific projects had been submitted to the FCA in June.

Grants were awarded to the Chamber Music Society Fairfield for its upcoming season, to The ArtWalk for the Maze of Murals Project, and to the Fairfield Arts and Convention Center for its Artist Series. Freddy Fonseca, representing the Chamber Music Society Fairfield, and Rustin Lippincott of the FACC were on hand to accept the grant awards. Artists representing the Maze of Murals project, John Schirmer and Karla Christensen were also in attendance.

The Fairfield Cultural Alliance is a volunteer organization dedicated to supporting arts and culture in Fairfield. Through their Cultural Trust Fund, they plan to help arts and cultural organizations create events and experiences for our town. Those interested in becoming involved with the Cultural alliance are encouraged to call Denyce Rusch, FCA Board president, at 472-3866.
