Cultural Progress in 2015 - Fairfield Cultural Alliance's Annual Arts and Culture Celebration

The Fairfield Cultural Alliance invites all culture lovers and creators to its annual Networking Celebration on Tuesday, November 10 at 7:30 pm at ICON Gallery on the Fairfield Square in our Cultural District.

This is a FREE event and open to everyone. Come and nurture connections with others in our community who create and support arts and cultural events and projects. Those attending can learn about upcoming events and will have a chance to share news and ideas about their own current or future projects.

The Fairfield Cultural Contribution Award will be presented to a group or individual who has made a significant contribution to the Fairfield's cultural community in 2015.

Michael Halley will MC the event. Mayor Ed Malloy will give updates on the city's continued commitment to our arts & culture. Sara Sanders will provide live musical entertainment!

Enjoy appetizers and dessert refreshments that never fail to please. Two door prizes will be given (\$25 cash donations to your choice of organization).

The Fairfield Cultural Alliance is a non-profit volunteer organization whose mission includes administering the Fairfield Cultural District and supporting art and culture in Fairfield through small grants, education, and marketing. Its projects have included the Fairfield Cultural Trust Fund for mini-grants, the Fairfield Heritage Tour booklet annual editions, and annual Cultural Contribution Awards.

For more information, contact Marcia Tiffany, Fairfield Cultural Alliance president, by emailing fairfieldculturalalliance@gmail.com or phone 469-6182.
